

Dear Students, Parents & School Administrators

June 2011

Welcome back to school lunch for the 2011-2012 school year.

We have many new and exciting menu ideas planned for the upcoming school year. We also have some new and exciting side item choices we look forward to introducing. Please ask your students about some of the changes and new initiatives we will be introducing throughout the year. We welcome your feedback.

Menus will be available at orientation, in the school office, and the school web site throughout the school year. We maintain a continued emphasis on balance and nutrition and a strong focus on variety.

The new school year school lunch price will remain \$4.00 and beverages will be \$0.75.

Please remember, for security purpose pin numbers are changed each year. Please log on to www.slalunch.com the week before school to retrieve pin numbers for the 2011-2012 school year.

All families must ensure their students have funds available to purchase lunch.

Note to Parents:

We maintain our continued commitment to provide quality, balanced, and nutritious school lunches at your school. Our menus meet or exceed National School Lunch values for daily values of protein, vegetables, fruit, dairy and grain and are reviewed and approved by a Registered Dietician.

Green Initiatives:

We are continuing with our efforts to introduce green initiatives in all of our operations. This includes pursuing green initiatives with our food suppliers, as well as our on-site ingredients and components.

We invite everyone to visit the school website for links to our current menus, nutritional information and green initiatives as they become available and look forward to a great school year.

We thank you for your continued support and participation and look forward to serving you this year. If you have any questions or comments, please feel free to contact us at info@slamgmt.com.

Sincerely,

SLA Management
