If you would like your child to make a purchase during their Library visit, please send in cash or a check. If you send in a check, please make checks payable to SJEDS. On the memo line, please write your child’s name and the maximum amount that your child may spend. Major credit cards are accepted at the Book Fair. However, the cardholder must be present when the purchase is made. Students who do not have money with them will be given the opportunity to make a wish list (including prices), which we will send home. Students may return the following day to make their purchases if desired.
